Novoclean ABS-E
Anti Back Staining agent.

DESCRIPTION
Novoclean ABS (E) is a unique blend of emulsifying and wetting agents based on non ionic surfactants. The high foaming action of the product avoids re-deposition of indigo released from the fabric during desizing and stone washing and provides the garments the desired look.

FEATURES AND BENEFITS
- Improves the contrast
- Prevents re-deposition of detached indigo dyes on denim fabric
- Effective cleaning agent
- Compatible with enzyme and pumice stone
